

## Cologne Summer School on International Perspectives in Teacher Education 2017

Cologne, December 2016

Dear Partners and Friends,

On behalf of Dr. Bildhauer, Head of the International Office, and the Faculty of Humanities of the University of Cologne, I would like to inform you about the following Cologne Summer Schools program:

### “Cologne Summer School on International Perspectives in Teacher Education”

**From July 31 to August 18, 2017**

This summer academy is designed for Bachelor degree seeking students in their last semester and early-stage Masters’s students in the field of teacher education and related study fields. The course will focus on aspects that draw upon teacher education from an international and interdisciplinary perspective.

The lectures, workshops, visits, and excursions will focus on innovative projects in the field of teacher education and educational research at the University of Cologne. The language of instruction will be English and up to six ECTS credit points will be granted.

**No tuition fees** have to be paid by those students who will be nominated by partner universities of the University of Cologne and chosen by the selection committee of the University of Cologne. Only travel costs to Germany, insurance plan and board have to be covered by the participants themselves.

We would be very grateful if you could inform your interested students with the help of the attached information sheet.

Further, we would very much appreciate your help by choosing three qualified candidates from all interested students of your university, and writing an email to me, indicating their names and study course. These students will be eligible to apply via an online application form. The application deadline is Friday, **31 March, 2017**.

Please find all necessary information and the online application form at:

<http://international.uni-koeln.de/6882.html>

More detailed information on the program will be published as soon as possible.

We would be very glad to receive applications by qualified students of your university and to be their host partner university next summer!

Please do not hesitate to contact me with any questions that may arise.

Sincerely yours,

*Victoria Busch*
